

Teaching Indiana's English/Language Arts State Academic Standards  
Grades K - 5

# "Using Storytelling as an Educational Tool" Workshop

Developed by

**Storytelling Arts of Indiana**

*Transforming everyday life*

In partnership with the

*Indiana Department of Education Office of Program Development*

Funded by the

*Nina Mason Pulliam Charitable Trust and the National Storytelling Network*

**Workshop Length:** 6 hours (3 hours for K-2 and 3 for 3-5 – attend one or both sessions)

**Description:** Use storytelling in your classroom activities to enrich student learning, encourage public speaking and add excitement and interactivity to lesson plans. Workshop materials include a CD with 50 activities that are mapped to Indiana's Academic Standards and incorporate writing, speaking, and listening skills as well as theater, music, literature, science and art. During this hands-on workshop led by teachers and professional storytellers, participants will actually do many of the activities and will return to their classrooms with months of creative ideas to make teaching the state standards fun!

**Fee:** Determined by the size of a school and the number of participants
